Message...

It gives me immense pleasure to know that the Council of State Industrial Development & Investment Corporations of India (COSIDICI) is going to publish the Magazine "COSIDICI COURIER".

MSME sector plays vital role in the growth of Indian Economy by contributing to the inclusive growth and generating employment on a large scale. COSIDICI, the apex body of the State Level Financial Institutions (SLFIs) has been providing common platform to the Financial Institutions. The efforts being made by the Council in promotion, development and financing of the industries and in providing training to the officers of SLFIs deserve appreciation.

Hope that the publication will provide comprehensive information about the promotional and developmental schemes provided by State Corporations and will serve as a useful guide and communication link for industrial ventures, all Member Corporations and other stakeholders.

I Congratulate COSIDICI for the endeavours and convey my best wishes for the success of the publication.
