GOVERNMENT OF INDIA

Message...

Industrial Sector has a hug role in creation of job opportunities. accelerating economic growth and nation building. I am glad that Council of State Insustrial Development & Investment Corporations of India (COSIDICI), an apex boxy of all State Lewvel Financial Institutions (SLFIs) is engaged in promotion, development and financing of industries and thereby supplementing the efforts of the Government in this sphere.

The medium and small sector suffers from inherent weaknesses like limited capital bases and restricted domain expertise. It is heartening to note that COSIDICI is catering to the Financing needs of this sector and providing valuable information through its bimonthly Journal "COSIDICI COURIER". The Journal carries useful information on banking finance; improvement of technology etc as also publicizes information about important initiatives of the Government of India to enhance the competitivencess of our Industry. COSIDICI is also according high priority to the training of officers of SLFIs to upgrade their conceptual and operational skills which is praiseworthy.

I send my best wishes to COSIDICI for their future success.

(Kiren Rijiju)
