Message...

I am happy to know that Council of State Industrial Development & Investment Corporations of India (COSIDICI), an apex body of all the State Level Financial Institutions (SLFs), is engaged in promotion, development and financing of small, medium and large scale industrial ventures and development of infrastructural facilities in different states.

The publication of tri-monthly magazine "COSIDICI COURIER" will inculcate awareness about the objective of this body promoting and encouraging entrepreneurial skills and ambience among people to take up different business ventures.

I would like to congratulate members of COSIDICI for the initiatives undertaken by them in inspiring youth to explore their own spheres of economic activities.
