## **MESSAGE**

I am glad to know that COSIDICI, an apex body of all State Level Financial Institutions is going to publish its bimonthly journal titled "**COSIDICI COURIER**".

*COSIDICI*, no doubt, has earned commendation for its role for promotion, development and financing of industries in the small, medium and large scale sectors and also helping to develop industrial infrastructure facilities in the states.

I extend my sincere and best wishes for successful publication of the journal.
