## **MESSAGE**

February 23, 2011

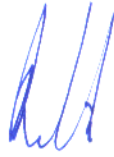

It gives me immense pleasure to note that the Council of State Industrial Development & Investment Corporations of India {COSIDICI} has been publishing a bi-monthly Journal~ “COSIDICI COURIER”. I understand that this Journal has proved to be useful to the commercial banks, financial institutions, university libraries and individual entrepreneurs.

It is appreciable that since its inception, COSIDICI has been playing its role efficiently and also influenced the growth of SLFI sector by providing specialized training programmes for the Officers of SLFIs and rendering useful services to its Member Corporations. I am sure the efforts of COSIDICI would go a long way to achieve the overall objective. The fact that the Journal is well-received by all in the industry further substantiates the sincere efforts put in by the COSIDICI.

I extend my sincere and best wishes for successful publication of the Journal “COSIDICI COURIER”
