## **MESSAGE**

I am glad to learn that COSIDICI, an apex body of all State Level Financial Institutions (SLFIs) which are functioning in different states of the country viz State Financial Corporations (SFCs), SIDCs and SIIDCs, is engaged in the promotion, development and financing of industries in the small, medium and large sectors and is also working for developing infrastructure facilities in various states.

It is also heartening to learn that in order to propagate their endeavors and initiatives, COSIDICI is also publishing its bimonthly journal titled "COSIDICI Courier", which contains comprehensive information pertaining to the various promotional and development schemes of various State Corporations for the benefit of existing and potential entrepreneurs for their investment and growth opportunities.

The initiative taken by COSIDICI is laudable and needs commendation. I wish to congratulate the Chairperson and all the office bearers of the COSIDICI Board for their initiative and wish them success for all their present and future endeavors.

(RAJ KUMAR CHAUHAN)
