MESSAGE

1st January, 2013

I am highly impressed by the role played by COSIDICI in bringing on single platform, the state level financial and investment corporations comprising State Financial Corporations (SFCs), State Industrial Development Corporations (SIDCs) and State Industrial and Infrastructure Development Corporations, which are engaged in promotion, development and financing of industry in small, medium and large sectors, Nurturing the idea of sharing information of common interest by member Corporations as one-big-family is worth encouraging and this spirit of friendliness helps greatly in the accomplishment of correlated work, in addressing the issues and escalating the problems the Government.

In my earlier assignment of General Manager (Finance) and Executive Director of Haryana State Industrial and Infrastructure Development Corporation (HSIIDC), I have been associated closely with COSIDICI and was greatly impressed by its continued efforts for the growth and larger role of the above Institutions in the economic development of the States.

COSIDICI COURIER serves as an instrument in fostering the above ideals and facilitates the member corporations to exchange their knowledge on various aspects of business-technical, marketing, management, professional, services etc. My heartiest congratulations to COSIDICI as well as to the 'COSIDICI COURIER' for the creditable role played in bringing the remarkable impact in the growth of the industrial sector

With all my best wishes to the efforts of COSIDICI
